MEMORY CARD

How have you been touched by the history of the Black Panther Party. **?**

My husband and I met here in North Oakland however we discovered we both came from outside of Boston. We have lived in North Oakland together beginning in 1989 – present & ~~started~~ ~~about~~ brought up our family just a few blocks from Old Merritt College on what was still Grove Street ~~in total~~ in 1989. Our two boys have the pride of the extent of community programing & truth telling of the Black Panther party as a leader of a "Care Community. Fred Horton, out of Chicago's Rainbow Coalition solution-based nation has changed my family's trajectory from the limitations of a uni-racial community & we thank all the elders for their ground-breaking truth & services & the growth in humanness from the Black Panther Party
